

## Shop Steward Recognition Award

Brother Graeme Johnston and the Provincial Executive have started a "Shop Steward Recognition Award"

The Union is proud of the work done by our Shop Stewards for our members every day. Some of those Shop Stewards go above and beyond expectations and those efforts should be recognized.

Each submission will be reviewed by the Provincial Executive and the Award will be handed out quarterly.

The fillable form is on the website under Shop Steward & Resources tab. Please do not provide personal information about the member or the grievance that they dealt with.
