

June manager feature Succeeding as a Manager

Successful managers promote a positive work culture, help employees manage priorities and workload, and stay focused on the goals of the organization.

See our feature, [Succeeding as a Manager](#), on the homepage this month where you'll learn valuable management tips from leading experts on how to effectively lead, mentor, and coach individuals, teams, and a multigenerational workforce.

You can also contact **LifeWorks**, any time, 24/7, to schedule time with a specialized consultant to discuss strategies for success in your role as a manager. Contact a consultant for free, confidential advice.
