### **Message from Graeme Johnston M47s (Island Class Vessels)**

Our Union representatives have received a number of inquiries regarding whether the M47 (Island Class Vessels) will use excluded personnel for Masters and Chief Engineers. After much discussion, BCFMWU has convinced the Company not to pursue exclusions on these positions, and to provide a letter of comfort to this effect.

This is a significant win and provides comfort for the foreseeable future; unfortunately, this does not prevent the Company from pursuing exclusions at a later date under different circumstances.

Special thanks for this win are owed to SOC President Dan Kimmerly.

In solidarity,
