Bulletin #2
January 18, 2019

WORKSAFE APPEAL ASSISTANCE

BCFMWU has partnered with BCGEU to help members navigate their way through the WorkSafe and WCB Appeal process.

If you have a WorkSafe claim that has been denied and would like to appeal, please contact the Union Office for assistance by completing a short form on our website www.bcfmwu.com (<http://www.bcfmwu.com/worksafewcb-assistance-request-form>).

The Union Office will contact the member to generate a file and paperwork that will be sent to BCGEU's Compensation Appeals Department. From that point on, the case will be handled by a BCGEU representative.

It is important to note that you cannot use the BCGEU service if you have appealed your claim with a Workers' Advisers Office, or any other external assistance.

We believe this is an excellent partnership that benefits our members. If you have any questions, please contact the Union Office.
