Queen of the North – March 22, 2006

BCFMWU remembers March 22 as the tragic sinking of Queen of the North.

Although 13 years has passed since this terrible event, for many people today's anniversary will be very emotional.

We all share in the grief and sadness and also remember the heroic rescue efforts of our crew, Coast Guard, and fishing vessel "Lone Star", as well as the assistance and support from the residents of Hartley Bay, Prince Rupert and many surrounding communities.

If you or a fellow worker needs any emotional support please remember to contact EAP – 1.888.307.0590 – they are available 24 hours a day, 7 days a week.
