Job Description: **Third Operator – Backhoe Dredger**

Reports to: First or Second Operator – Backhoe Dredger

As a **Third Operator – Backhoe Dredger**, you play a vital role in the daily operations of dredging projects. Your responsibilities include:

- **Mooring / Unmooring Operations:** You are responsible for safely and efficiently mooring and unmooring the barge to the backhoe dredge. This involves coordinating with the deck crew and ensuring proper alignment and connection to facilitate smooth dredging operations.
 - **Equipment Operation:** Operating the backhoe dredge equipment with precision and expertise is a key aspect of your role. You must be proficient in manoeuvring the equipment to perform dredging activities effectively while adhering to safety protocols and operational guidelines.
 - **Equipment Maintenance:** Regular maintenance of the dredging equipment is essential to ensure its optimal performance. You will be tasked with conducting routine inspections, identifying any issues or wear, and performing necessary maintenance tasks such as greasing, lubrication, and minor repairs to keep the equipment in top condition.
 - **Daily Inspections:** Conducting thorough daily inspections of the backhoe dredge equipment is paramount to identify any potential mechanical issues or safety hazards. You will meticulously assess the equipment's functionality, structural integrity, and safety features, reporting any findings and addressing concerns promptly to maintain operational efficiency and safety standards.
 - **Deck Management:** Maintaining the cleanliness, organization, and safety of the deck area is crucial for smooth operations and the well-being of the crew. You will oversee deck activities, ensuring that equipment and materials are properly stored, hazards are minimized, and safety protocols are followed diligently.
-
- **Terms of Employment:** full time, 2 months contract, rotational
 - **Benefits:** Benefits package applicable or foreign service premium and travel allowance may be applicable when employee is travelling outside of home country
 - **Location of Work:** Argentia, Newfoundland, Canada
 - **Contact Information:** info@do-jdn.com
 - **Language of Work:** English and Dutch (optional)
 - **Skills/Education/Work Experience :** A solid foundation in operating backhoe dredgers and general marine operations is Necessary. Practical experience in equipment operation and maintenance, coupled with strong mechanical aptitude and problem-solving skills
 - **Salary Information:** \$27.50 - \$42.86 CDN per hour
 - **Number of Positions:** 2.
